

Dear members,  
February was quite busy for the hall, raising significant contributions to future maintenance projects. The first one we are working on is urgent repairs to the kitchen foundations. A local builder has been helping us to find a way to do this economically. We are hoping work will start in May. The other project on the horizon is painting the hall. We also had a BBQ for our February Social. There were a few new people there but not many members. Those two lonely sausages in the picture needed someone to keep them company 😊 If you have suggestions for a focus for our social gatherings, please let us know.

Your committee is going to meet with the Local Board and representatives from other residents' associations on March 14 to discuss ongoing communication and consultation channels. We will send you a report on this. In the meantime, enjoy the last of the summer weather and all those delicious fresh tomatoes from your garden - despite the latest move to Level 3...
