

**Onetangi residents and friends:**

Many thanks to you for your generous subscriptions/koha (See bank account details at the bottom of the monthly calendar below). These are much appreciated and needed for ongoing hall maintenance.

Thanks for all your feedback on the Onetangi beach plans. We'll collate your responses and pass them on to the local Board, to Parks Sports and Recreation. Note to any kayak owners who keep them on the beach-please provide your feedback on how this plan may impact you.

The long-awaited kitchen repairs have started and as can be seen in the photo, are more extensive than expected, which is stretching our "kitchen repair fund". Any additional contributions would be greatly appreciated.

Project Forever Waiheke is currently undertaking research on the views about the future of tourism on the island. You are invited to give your views by participating in a survey for Waiheke residents by June 16. The survey can be accessed at:

<http://waiheke.future-tourism.alchemer.com/s3/>

Put the AGM date in your diaries, 11 July, see below.
