Dear members,

We have the inauguration of the new Local Board this week and wish them well. We will continue to liaise with them and act as a conduit to express your wishes and concerns.

As we come up to Christmas, there has been quite a lot happening at the hall. On occasion, some Saturday night sessions have broken the noise and time rules. Please call noise control if you think they are too loud. It is good that we have been able to raise extra money through hall hireage as we have a number of current maintenance expenses. The northern wall of the kitchen has been fixed, with all the plumbing now inside and rotten timber replaced. We also need to re-polish the floor early next year. Further out, we still have repainting on our list as the next major job to do.

This month we have the Art and Craft Market, which promises to be a well-attended affair. We decided to push out the social again, as many of the committee members are away, and have a larger end of year get-together on December 3<sup>rd</sup>. We haven't agreed yet on what form it should take, so please let us know if you have any ideas.

We hope to see as many of you as possible on the third of December.
